Smart India Hackathon 2022

Students of Team Hybrid Push Cart, SISTec Department of Mechanical Engineering have emerged as the first runner-up in the grand finale of Smart India Hackathon 2022. At West Zone MITADT University, Pune, all 23 teams from institutes and colleges all over India took part in the categories of renewable energy, agriculture, medtech, heritage and culture, and fitness.

Along with the mentors Dr. Sanjay Chhlatore and Mr. Mosam Sharma, the members of the SISTec Hybrid Push Cart team Mr. Ankit Gupta, Mr. Uttam Kumar Yadav, Mr. Abhishek Vishwakarma, Mr. Kamta Prajapati, and Ms. Jyoti Singh worked on the solution to the problem statement of Heritage and Culture.

Congratulations to all the Team Members and Mentors!!!!

Aacharya Chanakya Award 2022

The prestigious Aacharya Chanakya Samman 2022 was presented to Dr. Murli Manohar who acclaimed this award in a graceful award function held at Ravindra Bhawan, Bhopal on 20th August 2022, during the inaugural ceremony of Hindi special magazine "Chanakya Varta" released by International Divya Parivar Society (IDPS), New Delhi.

The award was given to eminent personalities across the state for their contribution in the field of social work, journalism, public welfare, research, literature and education.

Congratulations to Dr. Murli Manohar for this wonderful achievement....

Independence Day Celebration

Sagar Group of Institutions - SISTec celebrated the 76th Independence day which was declared Azadi Ka Amrit Mahotsav in all parts of India. It was no less a fortune to witness and live this festival of independence that symbolizes the power of liberty, freedom and democracy. To make the event memorable, SISTec initiated "PlasticFreeCampaign" by launching eco-friendly jute bags of Sagar Group.

International Visitors at SISTec

Sagar Group of Institutions-SISTec welcomed the International visitors Mr. Graham Burns and Mr. Juha Hautanen from JAMK University Finland. They visited SISTec for exchanging thoughts on the current pedagogical practices and vocational education as per the requirements of industry.

The academicians were given a brief description of academic and beyond curriculum practices at SISTec, which was followed by their interaction with (Director - Sagar Group of Institutions) Dr. Jyoti Deshmukh, (Principal, SISTec) Dr. Keshavendra Choudhary, (Principal, SISTec Ratibad) Dr. Manish Billore, (Vice-Principal, SISTec) Dr. Swati Saxena, and (Head of Corporate Relations) Ms. Prachi Shrivastava. Besides mutual sharing of information, a visit to the Atal Tinkering Lab at SPS was also organized by Team-SISTec.

THE BIG BATTLE

Sagar Group of Institutions-SISTec organized an in-house debate competition 'THE BIG BATTLE' for all the students of the college on 5th August 2022. The students entered into the heat of debate showcasing their ideas and opinions on the topic- 'Western culture is invading the roots of Indian tradition'. A qualifier round was conducted on 3rd August after which 16 finalists were shortlisted for the main event. Students came up with their own perceptions of culture and also had distinctive views on the impact of any culture on a particular milieu.

AAKAAR

Sagar Group of Institutions-SISTec organized AAKAAR Ganesh murti making workshop for the students. The guest for the workshop was Ms. Preeti Bharadwaj, who learnt this fine art from her father who has been working in this field for the last 40 years. The goal of the session was to learn the basic anatomy of idol making and to create awareness on the environment-friendly ways of celebrating festivals. Ms. Preeti instructed students on how to create Lord Ganesha murti during the do-it-along workshop. The students did find the workshop to be extremely fascinating.

Electro Blitz

SISTec- Department of Electronics and Communication Engineering celebrated the reformation ceremony of Electro-Pulse Club in the presence of special guest Mr. Pradeep Mishra, DSP Crime branch, Bhopal.

He congratulated the appointed students on the reformation of the society and motivated the students to participate in the extracurricular and technical activities with their full enthusiasm. Dr. Ravi Shankar Mishra, (HOD-ECE) expressed his gratitude for the reformation of the society and talked about vision of the society, followed by the oath taking ceremony and event Quiz- The Mind Game.

Workshops & Seminars

Workshops and seminars are considered an integral part of education and training, assuring a smooth flow of information. Seminars and workshops encourage passionate dialogue and active engagement, enhancing students' skills and knowledge. For the same, SISTec conducts day to day workshops for students.

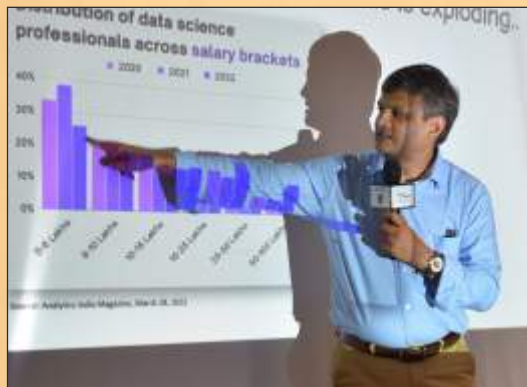

1. "Social Issues and Professional Ethics" - SISTec Department of EC

2. "Current Approach towards the production of plant secondary Metabolites" - SIPTec

3. Expert Talk on “Current Opportunities in IT Industry”

4. Pre-Placement talk with Celebal Technologies

5. Demystifying Google Developers Student Club - Ms. Muskan Tulsyani (Lead-GDS)

Industrial Visits

Hands-on learning or experiential learning is one of the few learning methods that can have a dramatic impact on the learner's mind. Experiential learning facilitates students to develop knowledge, skills, and values from direct experiences outside a traditional academic setting and applying the conceptual understanding to real-life situations.

1. **SISTec Department of Civil Engineering organized an Site visit to Sagar Public School, Gandhi Nagar**

2. **SISTec Department of Electronics & Communication Engineering organized an Industrial visit to Meteorological Centre Arera Hills, Bhopal**

3. **SISTec Department of Civil Engineering organized an Educational visit to Udaygiri Caves**

4. SISTec Department of Electrical & Electronics Engineering organized an Industrial visit to Electric-Loco Shed, Itarsi

5. Sagar Institute of Pharmacy & Technology (SIPTec) organized an Industrial visit to Hind Pharma

6. SISTec Department of Electrical & Electronics Engineering organized an Site visit to Overhead Power Line & Distribution Pole

7. **SISTec Department of Electronics & Communication Engineering organized an Industrial visit to Sagar Nutriments Pvt. Ltd. (SNPL)**

8. **SISTec Department of Mechanical Engineering organized an Industrial visit to Sagar Manufacturers Pvt. Ltd. (SMPL)**

Students' Achievements

1. Mr. Abhay Lodhi selected as Campus Superhero in TechGig. It's a largest tech community for programmers to read the latest tech news, learn, upskill & compete with fellow techies in hackathons.

2. Ms. Neha Daryani selected as Campus Ambassador in TechGig & Coding Ninjas. The communities offer cutting-edge solutions and inspire young minds towards innovative learning and are aimed at identifying energetic, passionate, brilliant, like minded college Superheroes in the coding world.

SISTec BULLETIN: EDITION – XV

We are really proud and exuberant to acclaim the results and achievements received by us during this month. SISTec Bulletin is to be viewed as a launch pad for the creative, academic and placement happenings of the students and the college.

The remarkable achievements of the students are indubitably sufficient to hold the interest and admiration of the readers. This souvenir is indeed a meticulous attempt to make our budding talents give shape to their creativity and learning.

This Bulletin is presented before you by the combined efforts of the Editorial Board, Digital Team & Designing Team.
