SISTec Business School Headstart

SISTec Business School hosted Headstart: The Industry-Academia Forum, offering BBA and MBA students insights into emerging management opportunities and future industry skills.

Industry leaders from Ksema Fincorp, Swiggy, HCL, Ernst & Young, and Hexaware Technologies discussed Ethical Leadership in the Age of AI and The ROI of Empathy.

The event equipped students with industry-relevant skills for career success.

SISTec Business School hosted Headstart

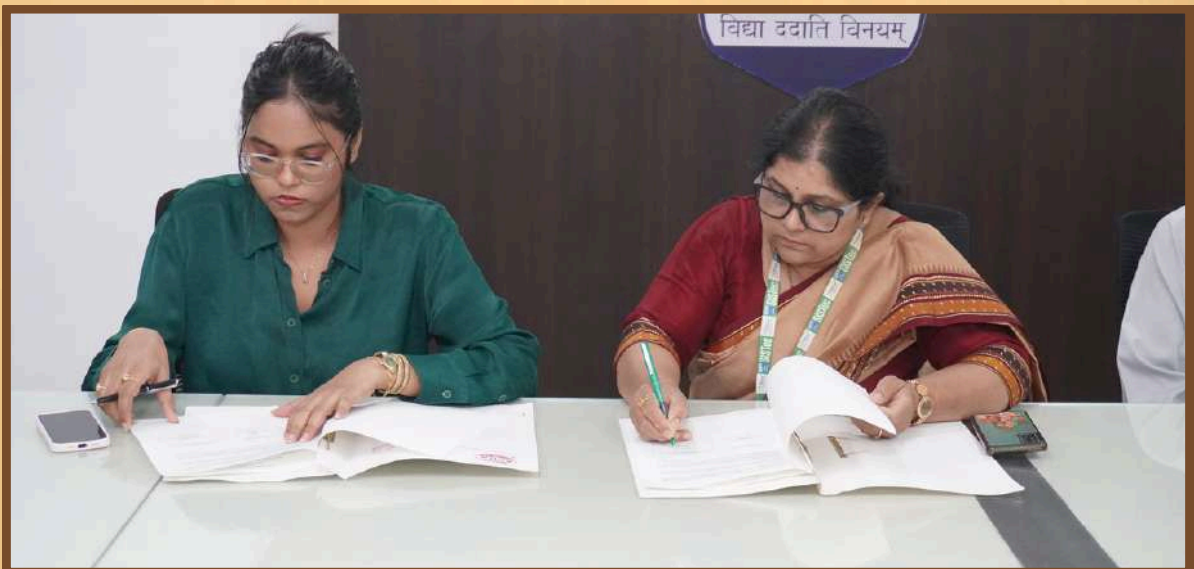

MoU with Pod.ai

Sagar Group of Institutions-SISTec and Pod.ai signed a Memorandum of Understanding to build a cutting-edge Training & Placement ecosystem on AI-driven solutions to drive growth and innovation. This strategic alliance will help equip students with industry-relevant skills and opportunities.

MoU with GirlScript Foundation

Sagar Group of Institutions-SISTec, Gandhi Nagar and Ratibad Campuses, signed a Memorandum of Understanding (MoU) with GirlScript Foundation.

Pre-Placement Talk for Batch 2026

SISTec successfully conducted a Pre-Placement Talk for Batch 2026 in collaboration with Tata Consultancy Services.

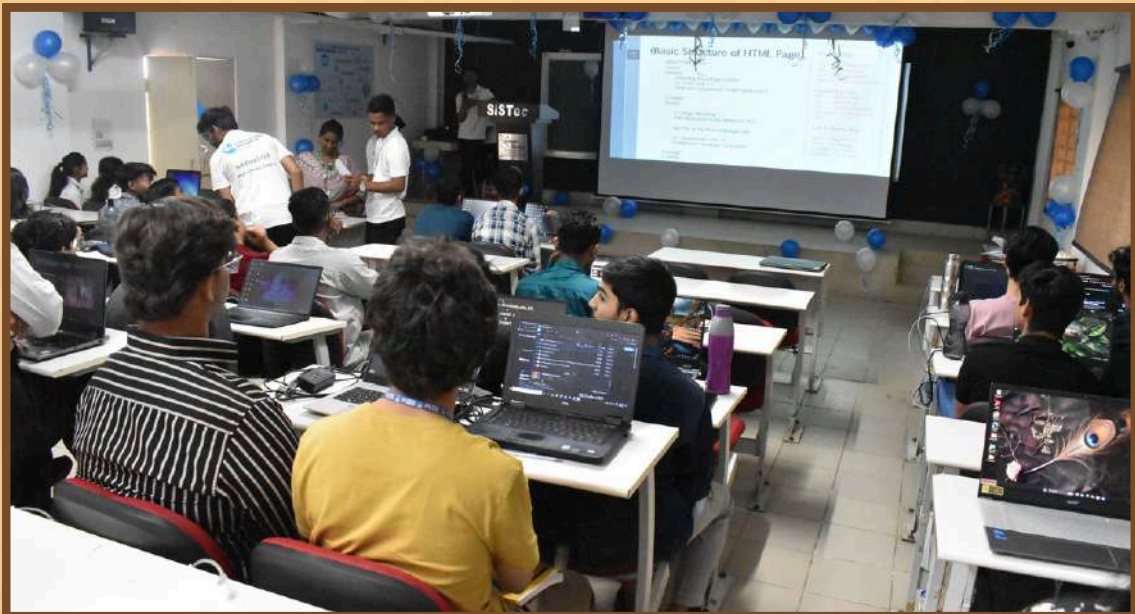

The session by Mr. Ashish Sarkar – Regional Head (Talent Acquisition Group) and Mr. Raghvendra Singh (Technology Head, Cyber Security Practice) provided students with valuable insights into industry expectations, career growth, and placement strategies.

From real-world experiences to expert guidance, the session empowered students to step confidently into their professional journey.

GAME-O-VIBE – A Project Competition on AI-Based Game Development

GAME-O-VIBE brought together brilliant minds to explore the limitless possibilities of AI-powered game development through creativity, collaboration, and technology.

SAGARIKA 2026 – Code The Change

An inspiring and impactful session unfolded at SAGARIKA 2026, organized by SISTec, bringing together passionate tech enthusiasts and future innovators under one roof.

The highlight of the event was an insightful session by Ms. Anubha Maneshwar, Founder of GirlScript Foundation, who shared her journey in tech and inspired students to explore the power of coding, community building, and innovation.

Sagar Manthan 2K26

The Corporate Training Department conducted Sagar Manthan 2K26, a three-day Corporate Training focused Program across the Gandhi Nagar and Ratibad Campuses, Bhopal.

Each day followed a structured approach: discipline, skill enhancement, mindset development, and practical execution. Students attended high-impact sessions on Professional Dress Code & Etiquette, Resume Building, General Awareness, Current Hiring Trends, and Numerical Ability & Logical Reasoning.

International Women's Day Celebration

On the occasion of International Women's Day, SISTec Gandhi Nagar organized a Wellness & Free Health Screening Camp along with a Health Talk to promote awareness about women's health and well-being. The session was conducted by Dr. Shivani Badal Acharya, Consultant in Obstetrics & Gynecology at SMH, who delivered an insightful talk on Reproductive Health.

The camp offered free health check-ups including blood pressure, blood group, and sugar tests, encouraging students and staff to prioritize preventive healthcare and stay informed about their health.

National Science Day Celebration

SISTec Department of Basic Science celebrated National Science Day with an insightful Expert Talk under the theme “Women in Science: Catalysing Viksit Bharat.”

We were honored to have Dr. Pragya Tiwari (SO/H and Head, EMSLS, RRCAT–Indore) who shared valuable insights on the role of women in scientific innovation and nation building. The session inspired students to explore the limitless possibilities of science and research.

The event was catalysed and supported by the M.P. Council of Science and Technology, Bhopal, making it a meaningful celebration of scientific excellence.

Holi Celebration

SISTec celebrated Holi with vibrant colors and cheerful moments, bringing students and staff together in a festive atmosphere full of warmth and happiness.
