Silver Jubilee of the Sagar Group of Institutions

Sagar Group recently celebrated a momentous double milestone — the Silver Jubilee (25 Years of Excellence) of the Sagar Group of Institutions and the Foundation Ceremony of the new Sagar Public School, Misrod (International Curriculum). The occasion was graced by the Honourable Chief Minister of Madhya Pradesh, Dr. Mohan Yadav, who attended as the Chief Guest, along with Shri Rameshwar Sharma, MLA from the Huzur Assembly Constituency.

Silver Jubilee of the Sagar Group of Institutions

Expert Lecture on Placement Mantras

SISTec Department of CSE with Artificial Intelligence & Data Science successfully organized an Expert Lecture on “Placement Mantras” focused on industry-oriented skills, technical proficiency, and interview analytics. We were honored to have Mr. Ajay Yadava (Mentor | Founder | Ex-Google | Apache PMC | Ex-InMobi | Ex-Trilogy) share valuable insights to help students prepare for successful careers.

Expert Talk on 3D Geospatial AI for Urban Planning

SISTec successfully organized an Expert Talk on “3D Geospatial AI for Urban Planning” under the AI for Atmanirbhar Bharat initiative.

The Speaker for the session was Prof. Vaibhav Kumar (Assistant Professor, Data Science & Engineering, IISER Bhopal)

IETE West Zone Seminar & ISF Congress 2026

SISTec Electronics & Communication Engineering students attended the IETE West Zone Seminar & ISF Congress 2026 and visited BISAG-N and ISRO in Ahmedabad and Gandhinagar.

Our students participated in national-level seminars, presented major projects at the IETE West Zone Seminar & ISF Congress 2026 at Adani University, and visited premier space technology institutions.

Industrial Visit to BSNL Arera Hills Telephone Exchange & National Telecom Museum, Bhopal

SISTec Department of Electronics and Communications Engineering visited the BSNL Arera Hills Telephone Exchange & National Telecom Museum, Bhopal, gaining valuable exposure to India's telecom infrastructure and its historical evolution.

Key Learnings & Highlights

- Hands-on understanding of optical fiber communication, broadband technology, FTTH (Fiber to the Home), and point-to-point leased lines
- Insights into network management systems, including routers, gateways, switches, OTDR equipment, call routing, and digital switching systems
- Live demonstrations of mobile networking and landline broadcasting, effectively bridging classroom theory with real-world applications
- Enhanced awareness of telecom industry operations and emerging technologies

ECE Project Expo 2026

The Department of Electronics & Communication Engineering, SISTec Gandhi Nagar, successfully concluded ECE Project Expo 2026, celebrating innovation, creativity, and technical excellence on the occasion of IETE Students' Day.

Organized by the IETE Students' Forum (ISF), the expo featured impressive project demonstrations that highlighted cutting-edge ideas and practical applications in Electronics & Communication Engineering. The event provided a vibrant platform for young innovators to create, demonstrate, and inspire, fostering learning, collaboration, and technical growth.

Budget-मंथन 2026

SISTec Business School successfully organized a two-day Post Budget Talk titled "Budget-मंथन 2026", aimed at fostering informed discussions on the Union Budget and its economic implications.

The first session featured an insightful panel discussion led by eminent experts CS Amit Kumar Jain, Founder & Director, Mentor Corporate Services Pvt. Ltd. and Dr. Sreenu N, Associate Professor & HOD, Department of Management Studies, NIT Bhopal.
