TCS Orientation

Sagar Group of Institutions-SISTec and SISTec Ratibad organized TCS Orientation Session for the Class of 2024 on 11th April 2023.

Team Corporate Relations welcomed the HR Team of TCS, wherein Mr. Gaurav Ghelani Head, Academic Interface & Ms. Reshma, Executive HR interacted with students and provided them insights into upcoming placement opportunities, various competitive hirings, profiles, and selection processes. Team TCS also interacted with all Heads and Seniors for further development of Technical Modules.

Sagar Podscorb 2023

SISTec MBA organized "SAGAR PODSCORB 2023", a national conclave on "Managing Innovative & Sustainable Businesses @2030: An Indian Perspective", wherein 200+ participants including students and faculty from various institutes participated in the event.

The Keynote Speaker for the event was **Mr. Prasenjit Mund** (Resident Editor, The Times of India, M.P. & CG) and **Mr. Pradeep Karambelkar** (President, TIE M.P, Executive Director, BNI, and Chairman, Bhopal Management Association) graced the event as Guest of Honor. The portfolio of panelists included several professionals and accomplished academicians from varied domains like supply chain management, entrepreneurship, financial services, strategy, consulting, etc.

There were two-panel discussions, wherein the panelists talked about how this world, and particularly our country would look like in 2030 as an economy of 9 trillion dollars, overtaking Japan and Germany. They emphasized on various facets of sustainable strategies applicable in industry and society, deciding sustainable strategies in the BFSI sector, having a sustainable ecosystem and its changing dynamics sustainable strategies from a rural development perspective with an overall focus on ESG (Economic, Social, and Governmental) approach.

SISTec Exuberance 2023

SISTec MBA organized its Inter-College Management Fest- "**Sagar Exuberance 2023.**" The major goal of this event was to encourage the students' creativity, teamwork, and competitive spirit. There were six competitions held throughout the day like **Skills and Thrills** (Management Games), **Brand Combat** (Marketing Puzzle) and **AD Making Competition**, **Kala Kriti**(Poster Making Competition), **Chehre Pe Chehra** (Face Painting Competition), **Rang Tarang** (Management Rangoli) and **Young Manch** (Talent Hunt Competition).

Students from different colleges of Bhopal participated in the fest and enjoyed the event. Sagar Exuberance 2023 also witnessed a fun fair, "**PRAYAS**", organized and managed by students of SISTec MBA. PRAYAS was conceptualized along the lines of "One Day Entrepreneur". The students vended various self-prepared delicacies at 12 outlets showcasing their managerial and entrepreneurial skills.

Farewell Party for Batch 2019-23

"Things may end, but memories will last forever." The beautiful experience and memories between the teachers and students will always remain the same at every corner of the college until we meet again!!!!

With this thought, Sagar Group of Institutions-SISTec threw a rocking farewell party in their respective engineering departments. Juniors bid adieu to their seniors of batch 2019-23. The evening was full of enjoyment, games, dancing, and remembering the day when they had joined the college. All in all, it was a great day for the senior students, meeting their classmates and teachers with wholehearted goodbye until next time.

Reformation of IEEE Student Chapter

SISTec- Department of Electrical & Electronics Engineering conducted the reformation of the IEEE student branch. The session was graced by the presence of Mr. Shubham Gupta, Chair of SAC, IEEE, MP section who enlightened the students about the role of IEEE in the technical & professional growth of students. The second guest Prof. Ashish Singhal, Vice Chair, MP-CG section encouraged & motivated the students towards IEEE and its role in students' technical & professional growth.

Rural Outreach Program

SISTec- First Year Cell conducted a visit to a rural area under the 'Rural Outreach Programme' for students of B.Tech. first year. The village chosen for the visit was Bilkhiriya Kalan, Tehsil Huzur. The students of CSE (AI&DS) and EX branches explored the area under the guidance of the Sarpanch and other officials of the village, who also briefed them about the demography of Bilkhiriya. Students visited the gram panchayat office, primary school, and anganwadi, and also went door to door to interact with the villagers for case study.

Moreover, they also got the opportunity to interact with students of the school, children in anganwadi, and the workers there. They witnessed the live functioning of the 'Mid-Day Meal Programme' and other schemes like 'Laadli Behna Yojna' of the government. The visit was a productive initiative where students tried to understand the grassroots-level problems and challenges of rural areas to offer solutions and scope for improvement.

Expert Session / Seminar / Training Program

1. Teachers' Training Program -

Sagar Group of Institutions- SISTec organized a two-day "Teacher's Training Program" on "Physical Computing & IoT" for SPS Science Teachers and Atal Tinkering Lab In-Charges. The training was coordinated by the Department of Electrical & Electronics Engineering and Department of Electronics and Communication Engineering faculty - Mr. Ankit Chourasia and Mr. Rahul Shrivastava. The complete session was a blend of theory & hands-on training.

Our teachers from all 6 campuses of SPS Rohit Nagar, Dwarka Dham, Sps Saket Nagar, Sagar Public School Gandhi Nagar, SPS Katara Extension, and Sagar Public School, Ratibad, learned the utility of IoT, fetching data from sensors & pushed into the cloud using "Thingspeak" tool.

2. National Seminar on "Impact of COVID-19 on mental health among healthcare professionals" -

Sagar Group of Institutions-SIPTec in sponsorship with MPCST Bhopal, successfully organized a one-day National Seminar on "Impact of COVID-19 on mental health among healthcare professionals". The Keynote speaker for the seminar was (Professor, Dept. of Pharmaceutical Science, Dr.H.S.Gour University, Sagar) Dr. Sushil Kumar Kashaw and ((Associate Professor, Chirayu Medical College & Hospital) Dr. Rajesh Dasaraju, MBBS, MD. During the session, Mr. Sushil explained the impact of COVID on mental health and quality of life, wherein he gave students examples of his own life incidents which he faced during the pandemic.

Expert Session / Seminar / Training Program

3. Expert Talk on "Cyber Security: Current Scenario" -

SISTec First Year Cell organized an expert talk on "Cyber Security: Current Scenario" for the second-semester students. The key speaker for the session was (Professor and Lead, Cyber Security - SISTec Dept. of CSE) Dr. Pushpraj Singh Chauhan. During the session, Dr. Pushparaj discussed with students about what is cyber security, its need, advantages, and disadvantages, He also made students understand about the challenges of cybercrime. All in all, the session was quite informative for the students to know about the importance of cyber security.

4. Expert Session on "Amalgamation of Engineering for Agricultural Research and Developments" -

SISTec- Department of Mechanical Engineering organized an expert lecture on "Amalgamation of Engineering for Agricultural Research and Developments". The expert for the session was Dr. B M Nandede, Senior scientist, Agricultural Mechanisation Division, ICAR-Central Institute of Agricultural Engineering (CIAE), Bhopal

Industrial Visit to Satpura Thermal Power Station

SISTec- Department of Electrical & Electronics Engineering organized an industrial tour to Satpura Thermal Power Station located at Sarni, M.P. on 10th April 2023. It is one of the famous coal-fired power stations with a nameplate capacity of 1330 MW operated by MPPGCL.

This visit aimed at making students acquainted with the practical real part of industrial engineering & the students had immense practical exposure to the operation of the power plant and its associated components & auxiliaries which relates to academics & thereby bridging the gap between academia & industry.

Students' Achievement

1. Congratulations to our students Mr. Ranveer Kumar and Mr. Neeraj Kumar under the mentorship of Prof. Amit Kumar Yadav have bagged first position with a cash prize of Rs. 5000 in the **"Innovation Festival 2023"**.

2. Students of SISTec MBA felicitated in the morning assembly, appreciating their dedication and smooth conduction of "SAGAR PODSCORB 2023". They were appreciated and felicitated by the seniors with certificates.

Students' Achievement

3. Student Activity Council- SAC members, along with Non-SAC student coordinators were felicitated in acknowledgment for their over-the-top display of leadership and managerial skills during 'Sagar Fiesta 2023'- the annual techno-cultural fest organized in March 2023. This year the fest was solely planned, managed, and executed by the students of SISTec, SISTec MBA, and SIPTec, which ultimately helped them get the desired exposure and work experience. In the presence of all the dignitaries and HoDs, all the members of the team were given certificates for their unmatched contribution to the successful conduction of the fest. Students were happy with the recognition and enjoyed the musical evening with dance, fun, and, sharing their experiences and learning during the preparation, planning, and execution of the event.

Magnificent Placements

Congratulations and best wishes to our students from the Computer Science & Engineering Department Mr. Preet Patidar and Mr. Prathmesh Gupta Batch 2023 for getting placed in eQ Technologies as QA Engineer at a package of 11.12 LPA.

Congratulations and best wishes to our B.Pharm students Ms. Anjali Das, Ms. Sakshi Singh, and Ms. Megha Kumari from Batch 2023 for getting placed in Makin Laboratories Pv. Ltd. as QA Trainee.

Congratulations and best wishes to our Management student Ms. Sakshi Tilwani Batch 2023 for getting placed in Startek as an Executive

Congratulations and best wishes to our MBA & Engineering students Batch 2023 for getting placed in Inmovidu as Business Development Executive at a package of 4 LPA.

Congratulations and best wishes to our Management students Batch 2023 for getting placed in Sutherland as Associate.

SISTec BULLETIN 2023: EDITION – III

We are really proud and exuberant to acclaim the results and achievements received by us during this month. SISTec Bulletin is to be viewed as a launch pad for the creative, academic, and placement happenings of the students and the college.

The remarkable achievements of the students are indubitably sufficient to hold the interest and admiration of the readers.

This souvenir is indeed a meticulous attempt to make our budding talents give shape to their creativity and learning. This Bulletin is presented before you by the combined efforts of the Editorial Board, Digital Team & Designing Team.
