SISTec Bulletin 2026: Edition – IV

Introducing SISTec Bulletin 2026: Edition IV – a celebration of ambition, creativity, and achievement!

This edition captures the energy and enthusiasm of our students as they shine across academics, placements, and innovation.

Each story is a reflection of dedication, and every page brings you closer to the vibrant spirit of SISTec.

Crafted with care by the Editorial, Digital, and Design teams, this bulletin is a tribute to the brilliance within our campus.

Sagar Fiesta 2026 – Roots to Rise

The 19th edition of Sagar Fiesta was inaugurated with immense enthusiasm at SISTec, Gandhinagar, celebrating the theme “Roots to Rise – Honour your Roots, Rise towards Future.” The inauguration ceremony was graced by Chief Guest Dr. S. C. Chaubey, Vice Chancellor of RGPV, who emphasized the importance of blending technological advancement with sustainable development for a better tomorrow.

Sagar Fiesta 2026 – Roots to Rise

Staff Induction Program 2026

SISTec, in collaboration with SISTec Ratibad, successfully organized the Staff Induction Program 2026, continuing its legacy of fostering growth, unity, and a strong sense of belonging among its team members. Hosted at SISTec, the program commenced with the ceremonial lamp lighting, followed by an insightful presentation on the Sagar Group by Ms. Neha Nanwani (Manager HR).

Sagar Samarthya 2026

SISTec organized Sagar Samarthya, a flagship career guidance initiative, for Engineering students of Batch 2027, designed to bridge the gap between academic learning and industry excellence. The event saw an exceptional turnout, reflecting the ambition of our future engineers.

GATE Qualifier's Felicitation

Heartiest congratulations to our esteemed faculty members and students for successfully qualifying for the GATE Examination!

This remarkable achievement reflects their dedication, academic excellence, and unwavering commitment to learning and growth. Their success sets a strong example for aspiring engineers and brings pride to the entire institution.

Microsoft Learn Student Ambassadors (MLSA), Investiture Ceremony

SISTec proudly hosted the Investiture Ceremony to honor and officially recognize our outstanding students as Microsoft Learn Student Ambassadors (MLSA) 2025–26.

This prestigious achievement reflects their dedication, technical excellence, and commitment to leading innovation within the student community.

Yuva Pathfinder 2026

Yuva Pathfinder 2026 – An inspiring day filled with ideas, leadership, and limitless possibilities. The session featured engaging and interactive discussions that encouraged participation, fresh perspectives, and real-time learning.

World Intellectual Property Day 2026

SISTec successfully organized a One-Day Seminar on World Intellectual Property Day in association with the M.P. Council of Science & Technology, Bhopal. The seminar on “From Playground to Patent: IP in Sports Innovation” was delivered by Dr. Ajay Choubey, who shared valuable insights into intellectual property, sports innovation, and the journey from ideas to patents.

MLSA – GitHub Copilot Dev Days

The Microsoft Learn Student Ambassadors (MLSA) of SISTec, under the supervision of the Department of Computer Science and Engineering, organized a one-day workshop titled "GitHub Copilot Dev Days".

Expert Session on Building a Strong Coding Profile for Placement

SISTec Department of Computer Science & Engineering successfully organized an Expert Lecture on “Building a Strong Coding Profile for Placement”. The session was delivered by Ms. Nancy Saxena, Software Developer at Intel, who shared valuable insights on Data Structures & Algorithms, consistent coding practice, and building strong profiles on platforms like LeetCode and GitHub.
