Vision & Mission of Student Activity Council (SAC)

Vision

To promote a sense of community by providing progressive platform to discover strengths, talents and passions of students in order to produce competent and committed professionals.

Mission

- 1.) To enhance the spirit of community building amongst students where every student feels connected and involved.
- 2.) To instill leadership skills and promote character building approach amongst students.
- 3.) To engage students in various activities so as to prepare them for better job opportunities through meaningful experiences.
- 4.) To act as a medium for bridging the gap between teachers and students by rigorous involvement in diverse activities.
- 5.) To impart life-long learning in the broadest context of technological and social change.

Shubhagam 2022

Resplendent vibes enveloped the portals of Sagar Group of Institutions - SISTec and SIPTec. This was a sight of the orientation programme - SHUBHAGAM 2K22 that was organized for the newly admitted students of B.Tech. and B.Pharm. It was a special day to commemorate the beginning of a new phase of students' lives. The programme began with a spellbinding welcome dance by students of SISTec. Principal - SISTec, Dr. Keshavendra Choudhary in his address reflected on the quote that intelligence is not something one is born with, it is acquired by skillfully redefining oneself.

The effervescence of myriad musical and dance performances, welcome speech by SAC President had cast its spell and left an indelible impression on the audience. The programme came to a wholesome end by receiving feedback from parents who were truly happy and contented by choosing Sagar Group as the one stop destination for their child's future.

Deeksharambh Samaroh 2022

School of Management Studies SISTec - MBA welcomed the new batch of budding managers in the orientation programme 'Deeksharambh Samaroh 2K22'.

The event was graced by the guest of honor Retired Army Officer Col. Manoj Mehrotra, Motivational Speaker & Corporate Trainer Ms. Manisha Anand, Co-founder & Director, Ezeseed Ms. Amruta Shingwekar. Deeksharambh 2K22 witnessed a series of cultural and informative sessions.

The distinguished speakers motivated and guided the students to develop skills and abilities with the basic knowledge that will lead to the path of success. They shared their industry experience with the students and suggested they develop effective communication & problem solving approaches.

Technovation 2022

The Institute Innovation Council IIC - SISTec organized Technovation - 22 on the occasion of National Innovation Day. The event featured 25 teams presenting their concepts and business plans on topics like waste management, energy conservation, and environment & sustainability. The guests for the event were Mr. Arvind Singh, (Production Manager - Parmali Wallace), Ms. Deepa Soni, (Founder - Dream Bhopal Green Bhopal), and Mr. Mohan Kushwaha, Assistant Engineer - CPWD (Central Zone). Mr. Kshitij Yugbodh, (Head of Department, Mechanical Engineering - SISTec Ratibad) an internal judge, was also present to motivate and guide the students.

Students gave presentations of their business strategies, which served as the basis for their competition evaluation. Out of 25 teams, four teams won the first prize and runner-up title, who provided many fresh ideas and plans on how to recycle garbage for useful purposes.

Pre-Diwali Celebration

Sagar Group of Institutions - SISTec celebrated pre-diwali festivities and gift distribution ceremony to foster the emphatic message the festival conveys in the presence of Chairman, Sagar Group Shri Sudhir Kumar Agrawal. SISTec believes that virtue always overshadows the vices and also the vices when mended are no less than a virtue. While recounting his thoughts on the usually dissipated aspect, Shri Sudhir Kumar Agrawal addressed the importance of mental and physical well being of family members of all the staff.

He emphasized on living in austerity, having gratitude towards God and focusing more on the education of children in the family. The spiritual background score and presence of all the staff members together created an overall enigmatic ambience.

SISTec Kalakriti 2022

The vibrance of Sagar Group of Institutions-SISTec reverberated across all grounds as SAC organized 'SISTec Kalakriti 2k22' to celebrate the festive vibes of Diwali.

The panoramic beauty with students regaling in fun and participants of the five competitions making preparations was a thing of beauty. SAC, this time, came up with a unique idea of making a diya formation with 300 hundred earthen diyas at Creations that were lit by the members and further given a final touch by the dignitaries. Students and participants appreciated the effort of SAC and enjoyed it to the fullest.

SISTec Swagat - Induction Program

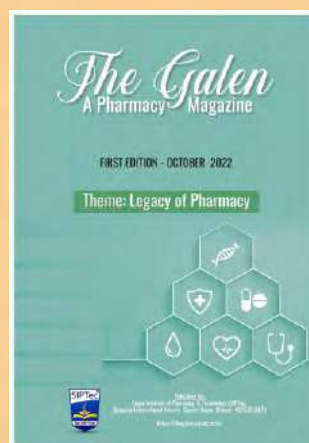

Carrying on with the tradition of the Sagar Group, a Staff Induction Program was conducted to welcome the new 'Sagarites' from SISTec Gandhi Nagar & Ratibad campuses and generate in them a feeling of belongingness for the organization. Sagar Group of Institutions - SISTec Ratibad played host to this event named "SISTec SWAGAT".

Starting off with a campus visit to SISTec Ratibad; Sagar Public School, Ratibad; and Sagar Vidya Niketan, the induction program began with the introductory video on the journey of the Sagar Group. The dignitaries through their inspiring words spoke about the group culture, workings of SISTec colleges, duties & responsibilities; acclimatizing the faculty to the new environment, and getting them acquainted with the Group.

Launch of 'The Galen' First Edition

On the Occasion of Dhanteras, Sagar Institute of Pharmacy & Technology - SIPTec launched its first edition of the Pharmacy Magazine- THE GALEN with the theme 'Legacy of Pharmacy'. The Magazine includes the efforts of all the members of the advisory committee and editing committee.

RGPV Nodal Level Swimming Tournament

Sagar Group of Institutions-SISTec hosted the RGPV Nodal Swimming Tournament for Men and Women on 7th October 2022 at the college campus. Teams from various colleges arrived to be a part of this grand event. Among all the above categories of Nodal Swimming Tournament, a total of 70 candidates participated with 40 boys and 30 girls, out of that Mr. Syed Ali from SISTec won Gold Medal in 1500 m and 800 m race.

Project Exhibition for 1st Year Students

SISTec Department of Electrical & Electronics Engineering organized a project exhibition for the first year students, where the senior students presented their made projects to the newly budding engineers. The exhibition was organized with the aim to develop awareness among the students towards innovation.

Encouragement for Efficiency' - Initiative by SISTec

Sagar Group always believes that encouraging the employees will always lead to success and enhanced efficiency. Following the same path ahead, SISTec felicitated its support staff on a variety of fronts, rewarding them for their dedication and support throughout the long term with the institute.

Expert Talk/Webinar/Workshop

Expert sessions, Webinars & Workshops are interesting ways for better learning of students as it helps them get an interactive platform to communicate, develop new interests in a new field. These sessions help them brush up new skills and knowledge not only in their domain areas but in other areas beyond the campus. SISTec, on many occasions organize expert sessions, workshops & webinars on departmental level to enhance the knowledge of students and offer them the chance to keep their questions in front of the experts.

1. IIC My Story - Motivational Session by Successful Innovator

Institute Innovation Council - IIC SISTec in collaboration with the Department of Mechanical Engineering organized a Motivational Session by a successful innovator and an alumni of SISTec Mr.

Ltd. who spoke about the Raspberry Pi development board, connection of Raspberry pi and operating system with each other and how to control Raspberry Pi from the mobile followed by the concept of VNC server.

4. Expert Session on Digital Marketing - Plethora of valuable skills for a better career

School of Management Studies - SISTec MBA organized a session on "Digital Marketing - Plethora of Valuable Skills for A Better Career" on 14th October 2022 under the Umbrella of "SISTec MBA Knowledge Series flagship programme". The resource person was Mr. Amit Mishra, Senior Global Alliance Manager, Wipro. Through the session, students were made aware about digital

marketing and its various utilities in this technological era. They were briefed about how Gen Z has moved forward to make use of social media platforms like Facebook, Instagram and YouTube in their daily lives.

Industrial / Educational Visits

1. Industrial Visit to Central Power Research Institute (CPR)

SISTec Department of Electrical & Electronics Engineering organized an Industrial visit to Central Power Research Institute - CPRI for 5th semester students. The organization assists the electrical industry in product development and quality assurance and students got to learn about different tests that are performed in the industry like testing of energy meters, temperature test on transformers and more

2. Educational Visit to Bhopal Memorial Hospital and Research Centre (BMHRC)

Sagar Institute of Pharmacy and Technology - SIPTec organized an educational visit to Bhopal Memorial Hospital and Research Centre - BMHRC, where students got the opportunity to learn numerous functions that hospitals do along with drug batch division, record keeping, and storage methods.

MoU with Shiksha Junction

SISTec Department of Mechanical Engineering signed a Memorandum of Understanding (MoU) with Shiksha Junction, a platform that upskills and upgrades the undergraduate and graduates with the vision to bridge the gap between real time industry needs and students' theoretical knowledge. This MoU will help promote great academic objectives, make students industry-ready, and improve technical skills through training.

MoU with Rishiraj College of Dental Sciences and Research Centre

Sagar Group of Institutions - SISTec signs Memorandum of Understanding (MoU) with Rishiraj College of Dental Sciences and Research Centre (RCDS) to promote effective use of the resources, and provide students with enhanced opportunities. With this, SISTec and RCDSRC will keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.
