IPR Awareness Session under NIPAM

Department of Mechanical Engineering and Electrical & Electronics Engineering jointly organized an IPR Awareness Program under National Intellectual Property Awareness Mission (NIPAM). The speaker for the day was Mr. Jitendra Kumar Choure, Assistant Controller of Patents and Designs Team Leader, NIPAM. The complete session was fruitful for the students, where they got to know about patent, Copyright and its importance in detail.

Exclusive Session on LinkedIn Profile Creation

Team Corporate Relations organized an exclusive session on LinkedIn Profile Creation by Mr. Omkar Deshmukh for the Pre-final year to provide knowledge on how they can create a better technical profile on LinkedIn. The session was very knowledgeable for the students as it helped them in knowing and understanding about the skills set they can create for making their LinkedIn profile reach more people.

Reformation of Electro Pulse Club

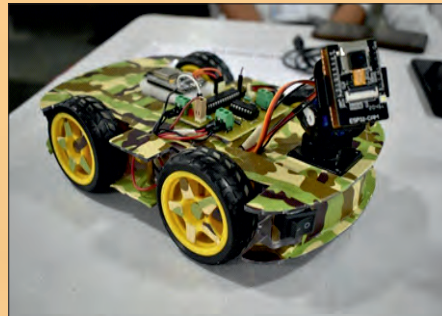

Department of Electronics and Communication Engineering inaugurated the logo and hosted the reformation ceremony of Electropulse club. The students participated in the extracurricular and technical activities Visual Memory and Talent Hunt with full enthusiasm. Along with this, an oath ceremony was conducted and batch distribution was done, giving each selected student their respective roles in the club.

Project Expo 2K22

Department of Electronics and Communication Engineering successfully organized PROJECT EXPO 2K22. The exhibition was organized by the Electro-Pulse club that witnessed participation of 10 projects.

The main objective of this expo was to provide the preliminary knowledge of the projects and provide an opportunity for the students to demonstrate their learning experience. The outcome of the PROJECT EXPO was that students were able to show their project at higher level and the process boosted their confidence.

Skills N Thrills

Department of Civil Engineering organized an event named “Skills N Thrills” for all the students of the college and the theme for the event was HOLI, wherein all students participated and took part in different activities like dance, painting, beet boxing and poetry.

SIH Internal Hackathon 2022

SISTec conducted Internal Hackathon 2022 where a total of 15 teams participated from different departments of engineering and presented their ideas over the problems like Security Verification, Covid-19 Detection, Air quality assessment. The committee members posed their questions over the concepts that participants had used in order to develop a particular solution to the problem.

Memorandum of Understandings

Institute signed MoU with various entities to promote great academic objectives, inculcate a spirit of research, improve technical skills through expert talks / seminars / workshops / summer training programs / paid internships, and support placements for the students.

1. SIPTec signs MoU with Scan Research Lab

2. MoU with Star iGlobal Pvt. Ltd.

Memorandum of Understandings

3. MoU with DhiyoTech Pvt. Ltd.

4. MoU with K I Technologies

5. MoU with Sriaan Electric Vehicle Pvt. Ltd.

Memorandum of Understandings

6. MoU with Global Skills Park

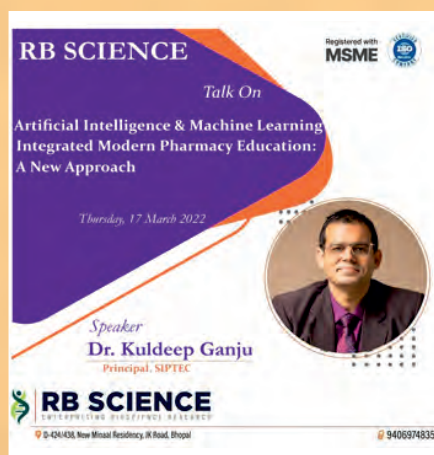

Expert Lecture

Department of Mechanical Engineering organized an expert lecture on "Thermochemical Treatment on Sewage Sludge". The expert speaker for the session was Mr. Jaroslav Mosko, Department of Environmental Engineering, Institute of Chemical Process Fundamentals of the Czech Academy of Science, Prague, Czech Republic.

Dr. Kuldeep Ganju (Principal) represented SIPTEC at RB SCIENCE Bhopal, as a Guest speaker.

He delivered his valuable lecture on topic "Artificial Intelligence & Machine Learning integrated Modern Pharmacy Education: A New Approach".

Industrial Visits

Industrial visits provide an insight on how companies work and also useful information related to the practical aspects of the course which cannot be visualized in lectures. Industrial visits are an eye opener for the students who visit companies and get insight on the internal working environment of the company. Industrial visits also give greater clarity about various management concepts for students as they can practically see how these concepts are put into action.

Industrial visit to Artech Solonics Ltd. by Electronics & Communication Engineering Department

Industrial visit to Airport Authority of India (AAI) by Electronics & Communication Engg. Department

Industrial Visits

**Industrial visit to CRISP by Electrical & Electronics Engg. and
Computer Science Engg. Department**

**Industrial visit to Artech Solonics Ltd. by Electronics &
Communication Engineering Department**

Workshops at SISTec

Workshop on Pharmaceutical Incompatibility

Workshop on Resume Building & LinkedIn Profile Creation

Workshops at SISTec

Workshop on Spreadsheet Modeling through Management Cases

Workshop on Post Budget Analysis

Departmental Training at SISTec

15 Days Training Program on "Learn Event-Driven Programming with GUI in JAVA" in the Department of Computer Science & Engineering

Capsule course training program on "Programming using Python" in the Department of Electronics & Communication Engineering

Placement Drive

Pool Placement Drive of Muvro Technologies for EE / EX / ME students for the profile of Graduate Engineer Trainee (Production/Design) at Ghaziabad Location.

Close Placement Drive of Telegence for EC/EX students for the profile of Graduate Engineer Trainee at Vadodara Location.

Placement Drive

**Core Placement Drive of Kalssic Wheels for EC/EX/EE/ME students
for the profile of Graduate Engineer Trainee at
Aurangabad/Nagar Location.**

**Exclusive Placement Drive of Bharat Biotech for B.Pharma
Students to onboard fresh talent for the profile of
Production/Quality Analyst/Quality Control at
Hyderabad/ Ankleshwar/ Bangalore Location.**

Placements

Congratulations and best wishes to the our student from Batch 2018-22 for getting placed in Digicom Semiconductor as Trainee Engineer at a package of 13 LPA.

Congratulations and best wishes to the following students from Batch 2018-22 for getting placed in EPAM as role of Junior Software Engineer at a package of 6 LPA.

Congratulations and best wishes to the following students from Batch 2018-22 for getting placed in Sagar Group in Multiple roles and at different Sites.

Placements

Congratulations and best wishes to the following students from Batch 2018-22 for getting placed in Wipro as Project Engineer at a package of 3.5 LPA.

SISTec BULLETIN: EDITION – X

We are really proud and exuberant to acclaim the results and achievements received by us during this month. The Bulletin is to be viewed as a launch pad for the students and college's creative, academic and placement happenings. The remarkable achievements of the students are indubitably sufficient to hold the interest and admiration of the readers. This souvenir is indeed a meticulous attempt to make our budding talents give shape to their creativity and learning. This Bulletin is presented before you by the combined efforts of the Editorial Board, Digital Team & Designing Team.
