Sagar Glory 2026 – A Placement Celebration Day

Sagar Glory 2026 – A Celebration of Excellence!

We were honoured to celebrate the magnificent placement achievements of SISTec students in the esteemed presence of Shri Mangubhai C. Patel, Hon'ble Governor of Madhya Pradesh. The Governor congratulated our students and appreciated SISTec's commitment to quality education and skill development. He further encouraged them to keep striving for excellence and contribute meaningfully to the nation.

Sagar Glory 2026 – A Placement Celebration Day

AI-Opener Awards 2026 Revolutionizing Placements with Pod.ai

SISTec marked a revolutionary milestone in campus placements with the AI-Opener Awards, powered by Pod.ai!

The event was a powerful testament to our commitment to AI-Integrated Training & Placements. By seamlessly weaving Artificial Intelligence into our preparation modules, we are ensuring that SISTec students aren't just competing for today's jobs—they are leading the future of the global workforce.

AI-Opener Awards 2026 Revolutionizing Placements with Pod.ai

Workshop on Sponsored/Seed Grant Proposal Writing & Art of Technical Paper Writing

SISTec successfully organized a Workshop on “Sponsored/Seed Grant Proposal Writing Workshop & Art of Technical Paper Writing.”

The session was delivered by Dr. Tikendra Nath Verma, Professor, Department of Mechanical Engineering, MANIT Bhopal, who shared valuable insights into research proposal development, technical paper writing techniques, and strategies for securing sponsored and seed grants.

Google Developer Group Goodies Distribution & Expert Session

As part of the GDG Freebies Distribution event organized by the Department of Computer Science & Engineering students received exclusive goodies sent by the Google Team.

Google Developer Group Goodies Distribution & Expert Session

World Telecommunication & Information Society Day 2026

Department of Electronics & Communication Engineering, under the IETE Student Forum, successfully organized an Awareness Workshop on the occasion of World Telecommunication & Information Society Day 2026 with the theme “Digital Lifelines: Strengthening Resilience in a Connected World.”

Build with RAG: AI Workshop & Competition

Department of CSE-AI&DS, in collaboration with IEEE Computational Intelligence Society (CIS) Student Chapter, successfully organised a Two-Day Workshop cum Competition on “Build with RAG: AI Workshop & Competition.” Conducted by Mr. Nirmal Gaud, Founder & CEO, Cognitia Research, the event introduced students to Retrieval-Augmented Generation (RAG) and its real-world applications in modern Artificial Intelligence.

Lakshya 2026 – Business Innovation Competition

The Department of CS & Information Technology and CSE-Cyber Security successfully organized Lakshya 2026 – Business Innovation Competition, providing students with a platform to showcase innovative business ideas and technology-driven solutions.

Expert Session – Responsible Innovation for Inclusive Growth

Department of Basic Sciences celebrated National Technology Day 2026 with an insightful expert session on the theme “Responsible Innovation for Inclusive Growth.”

The session, delivered by Dr. Gaurav Dwivedi, Assistant Professor, MANIT, highlighted the importance of innovation-driven development and the role of responsible technology in building an inclusive and sustainable future.

From Sensors to Intelligence: IoT Meets GenAI on Cloud

Department of Computer Science & Engineering successfully organized the two-day technical workshop “From Sensors to Intelligence: IoT Meets GenAI on Cloud”.

The workshop offered students hands-on learning in IoT hardware, cloud communication, and Generative AI integration through practical sessions, live demonstrations, and an exciting mini hackathon.
