SISTec-E

SISTec-R

OBJECTIVE

To become a One-stop Solution for students in order to build their successful career.

VISION

To become an institution of excellence in Science & Technology, by imparting world-class quality education and relevant training; producing skilled, competent & innovative workforce having social and ethical concern towards nation building.

MISSION

- To establish a student-centric academic ecosystem enabling them to acquire & retain domain knowledge, develop lifelong learning attitude and maintain professional ethics.
- To induce career-oriented, industry-relevant skills in students, by means of appropriate & updated training modules for their overall grooming.
- To provide state of art facilities and infrastructure to facilitate seamless dissemination of technical knowledge and spirit of innovation among students.
- To foster collaborative development through industrial tie-ups and research, so that the students can serve the society.
- To enable continuous development of teachers, thereby ensuring updated knowledge transmission to our students.

National Symposium

The Dept. of Mechanical Engineering, SISTec-R and The Dept. of Automobile Engineering, UIT RGPV, Bhopal jointly organized a 3 Day National Symposium on "Recent Technological Advancements in Electric Vehicles". The symposium intended to bring together academicians and industry experts from the different parts of the country to exchange knowledge and thoughts focused on the latest research and work in the field of electric vehicle technology in the form of various technical presentations and technical sessions.

The inaugural function witnessed the presence of Program Chair Prof. Sunil Kumar (Honourable Vice-Chancellor, RGPV) and Chief Guest Shri Pankaj Sonalkar (Chief, Electric Vehicle Technology Centre, Mahindra and Mahindra, Pune) who also headed a keynote session. The symposium was further divided into more technical sessions, headed by expert speakers Dr. K. C. Vora (Professor Emeritus, COEP & Chair, ASDC Expert Group on EV); Mr. S. Muralidharan (Chairman, Mobility Aftermarket, Ex-Regional President, Bosch India); Mr. Anand Kuupuswamy (Zonal Manager, Royal Enfield, Mumbai); and Mr. Vikas Kumar (CAE Analyst, R&D, Mercedes-Benz).

Achievements at National Level Platforms

Jagran Josh Awards

Dr. Abhishek Choubey (Asso. Prof., Mechanical Engineering) got the award for "Most Innovative Use of Science and Technology" in the Educator's Category and the Team of Mechanical Engineering students Mr. Rajeev Kumar, Mr. Prabhat Kumar, Mr. Gaurav Prakash, and Mr. Avinash Kumar (Team Power Generation by Footsteps) mentored by Prof. Ashish Shrivastava, got the award for "Most Innovative Educational Project" in the Students Category.

B-Nest InnoNext 2.0 Challenge

"SISTec" and Dr. Manish Billore (Principal, SISTec Ratibad) received Certificate of Recognition for being the InnoNext 2.0 Challenge Eco-System Partner and Jury Member respectively.

The Startup Project Smart Mini Tractor under the brand of Titan Tech by Mr. Ansh Mishra (Dept. of Mechanical Engineering) mentored by Dr. Abhishek Choubey featured in the "Top 10 Startups" during the challenge.

Big Fight 2022 Debate Competition

Mr. Ansh Mishra and Mr. Tanmay Sharma (Dept. of Mechanical Engineering) secured the "Best Presenter Award" in the Big Fight 2022 (Inter-Collegiate Debate Competition) on the topic "Budget 2022: Growth, Redistribution and Common Goal".

Sagar Sports Reunion

In the immense glory of Sagar Group, SISTec Ratibad hosted the annual signature event with Cricket, Badminton, Table Tennis, and Tug of War Tournaments. During the inaugural, Mr. Siddharth Agrawal (Managing Director, Sagar Group) declared the commencement of the gaming event and released the ceremonial balloons with the hoisting of the college flag for the respect of the game. With a series of exhilarating matches, the event ended with a valedictory ceremony to give away the awards.

Sagar Euphoria

The two-day annual techno-cultural fest was inaugurated by Dr. Shrikant Patil (Chairman and Managing Director, CRISP) in presence of Shri Sudhir Kumar Agrawal (Founder & Chairman Sagar Group), and Mr. K. K. Agrawal (CEO, SMPL) and included events such as Tech-Expo, Robo Race-War, Junk Yard, Summer of Code, Fish Tank, Branch Master, SISTec's Got Talent, Student of the Year, and many more. The highlight of the fest was the various performances by students including singing, dancing, poetry, drama, and stand-up comedy. Tux & Tiaras – Fashion Show was the center of attraction engrossing the audience's attention. The fest concluded with an award distribution ceremony for all the winners of the competitions.

Annual Techno-Cultural Fest

SIH Internal Hackathon

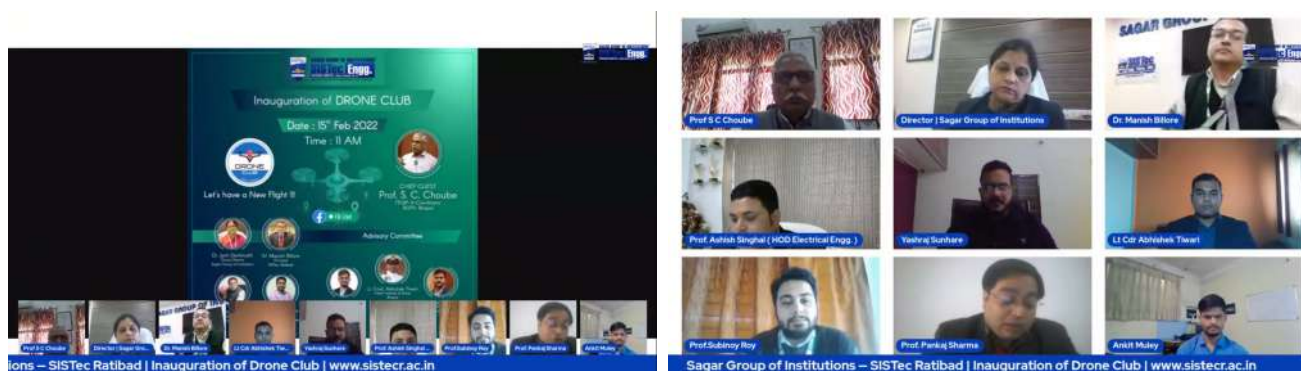

A total of 24 teams participated in this internal hackathon presenting their ideas on the selected problems taken from Smart India Hackathon (SIH) 2022 portal and elaborated on the concept they are going to use to develop the solution for the identified problem. The Jury members posed questions regarding the concept used by students to develop the solution to the selected problems. Based on the discussion of students on the given problem the jury evaluated the solutions presented on the following parameters i.e. benefit to society, team coordination, following the objective of the concerned SIH problem, and feasibility.

Inaugurations

1. "Drone Club"

The inauguration was done through an Online Session with Chief Guest Prof. S. C. Choube (Coordinator, TEQIP-III, RGPV, Bhopal) and the Advisory Committee including Mr. Ankit Muley (Co-Founder, Infinity Research), Lt. Cmd. Abhishek Tiwari (Indian Institute of Drone, Bhopal), and Mr. Yashraj Sunhare (Co-Founder & CEO, Jarvis Labs Pvt. Ltd.).

2. "Mechatronics Lab"

The inauguration was done by Chief Guest Mr. Prateek Sharma (Founder & CEO, Green and Grains, Vishalya Foods & Farms Pvt Ltd, Bhopal, MP). The lab will act as a platform to impart Mechatronics skills among students with a great focus on Training, Knowledge Transfer, Research Projects, Application-Oriented Research, and Innovation.

Institutional Innovation Cell Events

1. Workshop on Design Thinking, Critical Thinking and Innovation Design

Mr. Sudesh Morey (Founder & Director, Drmz System Innovations Pvt Ltd, Bhopal) concentrated on design thinking and how it represents a set of cognitive, strategic, and practical processes by which design concepts are developed. He also shared his views on critical thinking and how it provides a way to alter our mindset to improve the way we think of problems or situations which subsequently reflect positively on our decisions.

2. Online Session on Product Market Fit

Dr. Ashutosh Shukla (Assistant Professor, School of Management Sciences, Varanasi) discussed the phases of Problem Solution Fit and Product Market Fit in Product Lifecycle. He further gave a detailed explanation of the Product-Market Fit Pyramid and concluded the session with a Q & A session.

Institutional Innovation Cell Events

3. Motivational Session by Successful Entrepreneur/Startup Founder

Mr. Prateek Sharma (Founder & CEO, Green and Grains, Vishalya Foods & Farms Pvt Ltd, Bhopal, MP) shared his experiences of the startup, how it came into existence and its present working model. During a Q&A session, he and the COO, Ms. Prateeksha Sharma answered students' queries related to the ideation, seed funding, and other requisites of establishing a startup.

4. Online Session on Entrepreneurship Skill, Attitude and Behaviour Development

Mr. Sumit Devgan (Board Member & Chief – Product and Technology Indra Financial Services Ltd.) talked about the concept of outcome-driven innovation, the journey of product and ideas with case studies. The session gave a peek into business & product innovation, gave a new perspective to solving business problems with a definite success rate, and allowed the participants to think and act like an entrepreneur.

Expert Sessions & Workshops

1. Expert Lecture by Mr. Pawan Kumar Mathur

The Department of Electrical Engineering organized an Expert Lecture by Mr. Pawan Kumar Mathur on the topic – "High Voltage Testing, Commissioning and Maintenance of Transformer". The speaker gave detailed insights into the topic including the requisites, purpose, and procedure of transformer testing, along with the routine tests involved like measurement of winding resistance, voltage ratio, phase displacement, short circuit impedance, load loss, insulation resistance, etc.

2. Expert Lecture by Mr. Sudesh Morey Managing Director – Drmz System Innovations Pvt. Ltd

The Department of Electronics & Communication Engineering organized a Hands-On Session on the "Internet of Things (IoT)" by expert guest Mr. Sudesh Morey (Managing Director – Drmz System Innovations Pvt. Ltd) & his team for 2nd and 3rd year students of ECE branch.

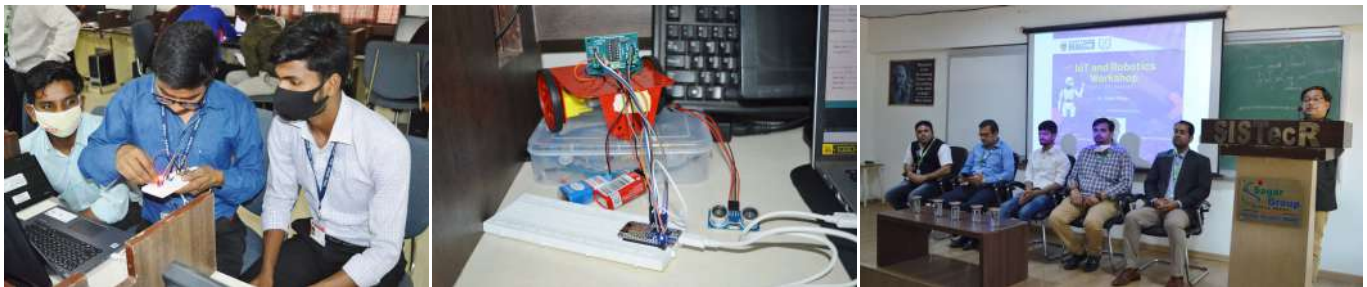

Mr. Morey started the session by delivering a basic understanding of the Internet of Things (IoT) & its ecosystem. He provided information, on how IoT is currently trending and how it has captured the entire market and will expand in the coming future. He delivered knowledge on software and hardware tools required to build devices based on IoT.

Expert Sessions & Workshops

3. Expert Lecture by Mr. Ankit Muley co-founder of Infinity Research Lab

The Department of Electrical Engineering organized a 3-Day IoT & Robotics Workshop by training expert Mr. Ankit Muley co-founder of Infinity Research Lab. During the workshop, hands-on training was given to 40+ students on IoT technology, IoT-based programming, robot manufacturing, and multiple sensor implementation (LDR, IR, Ultra-Sonic). The students prepared voice and mobile-controlled wireless robots during this workshop.

Industrial Visit to Sagar Manufacturers Pvt. Ltd.

The Department of Electrical Engineering organized an Industrial Training in Sagar Manufacturers Pvt. Ltd. (SMPL) to give a platform where students can realize similarities between class learnings and its industrial application. The students gained knowledge about the Yarn Manufacturing process, the role of Electrical Engineers in a textile plant, working and controlling different highly advanced machines and drives.

Close Placement Drive of Axis Bank

Team Corporate Relations hosted the Close Placement Drive of Axis Bank to onboard fresh talent for the profile of Relationship Executive for B.Tech and MBA students. Axis Bank is the third-largest private sector bank in India, offering the entire spectrum of financial services for personal & corporate banking and the profile of a relationship executive works to establish and sustain meaningful ties with the organization's clients to identify additional sales opportunities.

Exclusive Session on "LinkedIn Profile Creation"

Mr. Omkar Deshmukh guided the pre-final year students and provided them an intro to the biggest professional platform "LinkedIn", with the help of which they can create a technical profile, attracting enough to catch recruiters' and hirers' attention.

Celebrations

1. Matribhasha Diwas

The Students Activity Council organized a Poetry, Speech, and Debate Competition to celebrate Matribhasha Diwas (International Mother Language Day). Ms. Monika Pandey (6th Semester, Electronics & Communication Engineering), Mr. Ram Kumar Sahu (6th Semester, Electrical Engineering), and Mr. Jay Soni (6th Semester, Electrical Engineering) secured 1st Position in the Poetry, Speech and Debate Competition respectively.

2. National Science Day

A Poster Making Competition and Science Model Exhibition on the theme of Science & Technology was organized by the Students Activity Council and National Service Scheme (NSS) Unit.

Celebrations

3. Women's Day

On the occasion of International Women's Day, the Ratibad family felicitated eminent women from the society: Mrs. Kumud Tiwari (Managing Partner, Paridhi Industries, Bhopal) and Ms. Nidhi Saxena (Asst. Commissioner of Police, Women Security, Bhopal). Mrs. Kumud Tiwari elicited the role of women in family and society. Ms. Nidhi Saxena interacted with the girls and asked them to learn self-defense practices. To mark the occasion, a sports activity Tug of War was also organized, wherein a large number of girls and ladies participated.
